TO WHOM IT MAY CONCERN

It gives me great pleasure to recommend Teresa De Gennaro as an outstanding performer who won an

inaugural Cabaret Festival Scholarship. She is an extremely talented singer-dancer-actor who has a

vivacious stage presence and great stage charm. It is rare to find such a breadth of talent at any time,

let alone in one so young.

As part of the Cabaret Festival Scholarship, Teresa along with the other recipient attended the Sydney

Cabaret Convention. I was able to introduce her to agents, cabaret artists and other members of the

industry. She presented herself extremely well. Her intelligence, charm and enthusiasm delighted the

industry people. In fact, she was an excellent ambassador for the Adelaide Cabaret Festival.

Teresa is a delightful person, hard working and highly focussed on her career. I am sure that she will

make an impact on our arts scene.
